

Science Shrinks Piles New Way Without Surgery Stops Itch—Relieves Pain

New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain — without surgery.

In one hemorrhoid case after another, "very striking improvement" was reported and verified by a doctor's observations. Pain was relieved promptly. And, while gently relieving pain, actual reduction or retraction (shrinking) took place. And most amazing of all — this improvement was maintained in cases where a doctor's observations were continued over a period of many months!

In fact, results were so thorough that sufferers were able to make such astonishing state-

ments as "Piles have ceased to be a problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years' standing.

All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne®) — the discovery of a world-famous research institution. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body.

This new healing substance is offered in suppository or ointment form called Preparation H®. Ask for individually sealed convenient Preparation H Suppositories or Preparation H Ointment with special applicator. Preparation H is sold at all drug counters.

Mike's Thursday Mailbag
Dear Mike: Did Shirley MacLaine hit you with her handbag just to get all that publicity? — Marguerite Bunz, Wayland, Mass.

Dear Marguerite: It wasn't her handbag, it was her fist. I haven't called her to discuss it but I don't think she did it for publicity. The story leaked out because there were several press agents in my office at the time and one of them (I think) phoned the wire services.

Dear Mike: What really happened to Marilyn Monroe's marriages? Why didn't she stick with Joe DiMaggio, who evidently was very devoted to her? — Sally Olsen, Camden, New Jersey.

Dear Sally: Marilyn's career was as important to her as any of her three marriages, if not more so. It's the supreme tragedy of being a Hollywood star, which is a full-time-and-a-half job.

Dear Mr. Connolly: Please tell me what happened to Miss

Juliet Prowse? — Mrs. Renee Kerrin, Philadelphia, Pa.

Dear Mrs. Kerrin: She's still working in nightclubs and dating Frank Sinatra on the side.

Dear Sir: I hear Raymond Burr is on tour with a show. Will he be coming our way? I'm a big fan of his. — Joni Meyers, Chicago, Ill.

Dear Joni: Ray goes on tour with "Oh Men, Oh Women" next Tuesday, June 25, starting in New Jersey, then to Michigan, Ohio, Illinois and Ontario, winding up in Berkeley, Calif. He'll resume shooting his "Perry Mason" series in August.

Dear Mike: Was Red Skelton ever a clown? My father swears he was. — Chuck Gaylord, Memphis, Tenn.

Dear Chuck: No, but his father was. Red started in show business at 15 as emcee of

some marathon shows. Then he went into a medicine show, a tent show, a minstrel show, vaudeville, radio, movies and finally TV.

Dear Mike: Why do they insist on calling Vince Edwards a "new" star? I'm sure he's been acting for years. Didn't he appear in a number of recent movies, including "Three Faces of Eve"? — "Quack Quack" Rochon, North Miami, Fla.

Dear Quack Quack: You're the sharp-eyed one. He played the brawling soldier who danced with Joan Woodward in the nightclub scene in that picture — plus many others before he hit the TV big time with "Ben Casey."

Sir: Is Audrey Hepburn really going to sing her own songs in "My Fair Lady"? — Redmond Higgins, Marysville, Mich.

Dear Redmond: She thinks she will but she won't — by which I mean that they'll dub another singer's high notes when Audrey can't hit 'em. They did the same thing in "The Jolson Story" when the late Al Jolson couldn't reach them but Al never knew it.

Dear Mr. Connolly: A friend of mine told me Johnny Burnett, the singer, died recently of a heart attack. Is this true? — Sing-a-Long, Sunnyvale, California.

Dear Sing-a-Long: No. You're thinking of another singer whose act "died" in San Francisco, when he made the mistake of singing "I Left My Heart in San Francisco" as though San Franciscans had never heard it before.

Dear Mr. Connolly: Recently I had the pleasure of seeing one of the Jeanette MacDonald-Nelson Edy pictures. Are they both completely retired from the theatre? How old are they

now? Where are they living to them? — Carol Anderson, Stockton, Calif.

Dear Carol: Jeanette was born June 18, 1906, and Nelson on June 29, 1901. They're open for offers. You may write them in care of Helen Ferguson, 151 El Camino Drive, Beverly Hills, Calif.

Dear Mr. Connolly: I would love to meet Eric Fleming of the "Rawhide" TV series. When and where would you suggest? I have heard that he is interested in anthropology. Does he own a museum? I have made several trips to Hollywood with the hope of seeing him somewhere. All of the trips were failures. — Marguerite Richards, San Francisco, Calif.

Dear Marguerite: Try him at the Herdan-Sherrell Agency, 8961 Sunset Blvd., Hollywood 69, Calif. They're his agents. He doesn't own a museum but maybe they could tell you his plans.
